Yes. Also, if you think you can articulate the second part of your claim to Yon and Joe, see them about 382/284. You can also see subs in 348 we talked about plus any that correspond to 382/284.

Importance: High

Scott,

The case that I was talking to you yesterday is a 2+ old, can you please help me further today.
I really need your expertise to put an end to this "Hyatt want to be" case.

Thank you so much,
Brian
